- Add the total points that the student has earned and refer to the 100 point scale below to determine the grade.
- Write the letter grade or excellent (A), very good (B) or good (C) on the student's practicum evaluation sheet.
- Record the letter grade on the Student Record Sheet and the Request for Certificate Form.
- A practicum grade below a C- is a redo. The final grade would then be dropped one letter. (Example: If the redone presentation is an A- drop the final grade to a B-. If the redo is a C, drop to a C- for the final grade. The minimum grade to pass this practicum is C-.
