

Assignment for Designing Visual Aids

Requirements:

Design one hand-held **evangelistic visualized verse** and one Word Up! visual applying the layout techniques presented in class. Choose one of these two styles:

1. 11"x17" size flashcard visual
2. 8½" x 11" size hinged flashcard visual

This assignment is due the first Friday of the module at 7:30 AM CST

Submit the assignment following the guidelines for uploading assignments. Your visuals should be created then uploaded in PowerPoint®. Both visuals should be created in one document.

Save the verse/Word Up! visual document using the following pattern:
CM205VV.first initial last name. (i.e. CM205VV.jandrews)

Note: Follow the upload directions. Do not print the visuals. The visuals will be printed and assembled at a later date.

Information:

- The verse you will visualize is _____ **from the English Standard Version®.**

Note: If you prefer and normally teach using KJV then inform the instructor that you will be creating your visual in KJV instead of ESV®.

- The Word Up! statement you will visualize is: _____

- Sources for images/pictures

Download graphics provided by CEF by using the link at cefcmi.com. Once signed into your user account, click on *My Courses*, then *On-Campus CMI*. Scroll down to select the current module from the Course Content Menu. In the description section, click on the link for *CEF Graphics*. A new tab will appear from which you can download the graphics. Graphics will no longer be available after the end of CMI. Download these files onto your computer or a flash drive.

Note: Use at least one graphic image per page when creating your visuals.

Guidelines:

- **Couples:** One person will visualize the verse and Word Up! statement mentioned previously. The other person will choose one of the Message of Salvation application verses in the Party Club lesson as the verse to visualize. The Word Up! visual can be a Word-Up! statement from any CEF lesson series. (Check with the instructor to approve a Word Up! statement that is original and not from a CEF lesson series.)
- On the first page of the document, title the assignment CM 205 Verse and Word Up! visual, type your name, your instructor's name, the date and whether this is an 11"x17" size flashcard visual or an 8½" x 11" size hinged flashcard visual. Include any other instructions about the visual.
- Place the ESV® scripture copyright line on the bottom of the verse visual. Copyright information can be found under *Copyrights* at the end of your student notes for this class. (**Note:** KJV is public domain so no copyright line is needed.)

Refer to the Evangelistic Visual Grade Sheet before submitting your assignment.
