

Children's Ministry Practicum Requirements

(*Teaching Children Effectively*™ Level 2)

To complete the *TCE*™ Level 2 course, **you must** participate in teaching five separate classes with children. These classes must be done within the context of a *Good News Club*® or *5-Day Club*®.

In order to make the five teaching sessions with children most beneficial in helping you put into practice what you have learned in the course, you are required to participate in:

1. **One children's class teaching a growth narrative Bible lesson focused for the saved child**
2. **One children's class teaching a missions segment**
3. **One children's class teaching principles about confession of sin**
4. **Two children's classes teaching an aspect taught in *TCE 2* (one of the above or a *Wonder Time*™ segment)**

You are encouraged to complete the five classes with children during the *TCE* course if possible, but they must be done within six months of completion of the course to receive your certificate. If this requirement is not met, an additional five practicums must be completed (for a total of 10) within the grace period of 60 days in order to receive the certificate.

If you fail to complete these requirements within the grace period, you must retake the complete *TCE* course (including the practicums) in order to receive a Level 2 certificate and to advance to the next level within the *TCE* program.

Upon completion of this requirement, fill out and return the “**Children's Ministry Practicum Form**” to your local *TCE* instructor. Your certificate will be issued from the *Children's Ministries Institute*®.
